*Gibbons Stamp Weekly* is produced in order to help and encourage those who are either now forming a collection or are about to start the most fascinating and fashionable hobby of STAMP COLLECTING.

The aim of *Gibbons Stamp Weekly* will be to help young collectors by publishing series of articles on all matters that may be of use to them.

Articles will in due course appear on such subjects as:—

How to choose a Stamp Album, with descriptions of the leading kinds.

On buying Packets and Sets.

On Exchange Clubs: how to start and how to conduct them, with a Model Set of Rules.

How to Mount Stamps.

On Measuring Perforations, and how to detect Watermarks.

On what to avoid in Stamps.

Advice as to what Stamps to Purchase, so as to have a good sound Investment.

On Historical Facts of the past 65 years that may be learnt from our Stamps.

On the Geographical Interest of Stamp Collecting.

Humorous Incidents connected with Stamps.

Stamps as Works of Art.

How to Collect, and what to Collect.  
*&c., &c., &c.*

A correspondence column will be opened, and we shall endeavour to reply fully to all questions sent to us.

Twice a month we propose to GIVE AWAY to every subscriber to *Gibbons Stamp Weekly* a genuine postage stamp.

Another feature that we intend to take up is a series of Stamp Competitions—about once a month.

A very valuable lot of large packets and sets of stamps, albums, etc., will be given as prizes in these competitions.

At least once a month we offer a real SPECIAL BARGAIN to readers of "*Gibbons Stamp Weekly*."
